"We have engaged Glazewell to supply & install a variety of shower screens, mirrors and glass splashbacks to a number of luxury residences we have constructed. They have approached these projects with the utmost professionalism, delivering exceptional service levels and quality custom-made products that has reflected the architects brief. Their site installation team are experienced, a pleasure to deal with and dedicated to exceeding expectations when it comes to standard of workmanship.

We look forward to working with Glazewell in the future and have no hesitation in recommending them to others."

NAME: Nathan Pace
POSITION: Site Supervisor
COMPANY: Dempsey Construction

"Glazewell were selected to supply & install custom-made 10mm frameless shower screens, mirrors & glass splashbacks for our luxury villas on the Taskers project. Working with new a subcontractor can sometimes be challenging certainly at the start of a new supplier relationship. However, from the very beginning I found Glazewell very easy to deal with and they demonstrated a high level of professionalism that we require from our service providers. Glazewell were efficient, had experienced staff and met every key objective during the project programme. The installers were very thorough and the quality of workmanship was to an excellent standard. I was particularly impressed with their attention to detail for each product right through to making sure the work area was clean & tidy.

Overall Glazewell did an exceptional job on this project and I look forward to working with them again."
